Location

The Marina Lanzarote is about 7 km away from the airport of Lanzarote. The port is the ideal starting point for your Canary Sailing Holiday. From Lanzarote the neighboring islands are within easy reach. For your sailing trip we recommend Lanzarote and the neighboring islands of La Graciosa and Fuerteventura. La Graciosa has one of the best and most popular anchorages of the entire archipelago – Playa La Francesa. Otherwise, you can sail from port to port, i. e. to the popular Marina Rubicón in the south of Lanzarote. The Canary Islands are among sailing enthusiasts an almost perfect sailing ground. This is due to the enormous versatility that this area has to offer. Here sailing sports fans of all levels get their fun.
